

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office  
FLOOR DEBATE

March 6, 2002      LB 1172

at least 30 votes. The question before the body is adoption of the Kristensen amendment, AM2952, to the committee amendments to LB 1172. All in favor of that motion vote aye, opposed nay. We're voting on the AM2952, which requires 30 votes. Senator Kristensen, for what purpose do you rise?

SPEAKER KRISTENSEN: A roll call vote.

SENATOR CUDABACK: A roll call vote has been requested. Mr. Clerk, call the roll, please.

CLERK: (Roll call vote taken, Legislative Journal page 858.) 31 ayes, 10 nays, Mr. President, on the amendment.

SENATOR CUDABACK: AM2952 was adopted. I raise the call. Mr. Clerk.

CLERK: Mr. President, the next amendment, Senator Quandahl.

SENATOR CUDABACK: Senator Quandahl, you're recognized to open on AM3033 to committee amendments to LB 1172.

SENATOR QUANDAHL: It's...I'd withdraw that amendment...request that it be withdrawn since it was to the original committee amendments.

SENATOR CUDABACK: It is withdrawn.

CLERK: I have nothing further to the committee amendments, Mr. President.

SENATOR CUDABACK: Open for discussion on the committee amendments. Senator Raikes, no lights on. Do you wish to close on the committee amendment to LB 1172?

SENATOR RAIKES: Thank you, Mr. President, members. I guess what I'm asking you to do at this point is to vote against the committee amendment as amended. I believe the original bill, LB 1172, is a better approach to the issue than what is offered by the amended committee amendment. So, with that, I would urge your vote against the committee amendment. Thank you.
